

NAS Thecus W12910SAS

Enterprise Capacity Powering Big Data SATA 6G and SAS 12G for Ultra-Fast Transfer
Speeds Productivity Enhancing Efficiency with Deduplication and ADS Single-Instance
Storage (Dedup)

NAS Thecus W12910SAS

Enterprise Capacity Powering Big Data SATA 6G and SAS 12G for Ultra-Fast Transfer
Speeds Productivity Enhancing Efficiency with Deduplication and ADS Single-Instance
Storage (Dedup)

Detailed characteristics

Characteristic	Value
Software features	Windows Storage Server 2016 included with purchase
Processor	Intel® Skylake E3-1245 v5 3.5GHz Quad Core Processor + Intel C236 chipset
Memory	16GB DDR4 ECC SDRAM shipped, can upgrade to 64GB Memory Module Pre-installed: 8GB x 2 Total Memory Slots: 4
Other hardware features	Embedded Boot Drive 60GB SSD
USB Interface	USB 2.0 host port x2 (front x2), USB 3.0 host port x4 (back x4)
Disk Interface	SATA/SAS (x12) via backplane, support SATA II / SATA III hard disk
Power Supply	500W Redundant power supply (80plus)
